### **Open Access & Copyright Policy**

International scientific journal *Problems of Management in the 21<sup>st</sup> Century* publishes all articles under the open access model, defined under Budapest open access declarations. The full content of the articles published by PPC is freely available for anyone to read, download, print, use, re-use and build upon. The published articles are distributed under the [Creative Commons Attribution-Non-Commercial 4.0 International License](#), which permits unrestricted use, distribution and reproduction, free of charge, in any medium, provided that the original author(s) and original Publisher are given due credit.

Copyright for articles published in this journal is retained by the authors, with first publication rights granted to the journal. Authors grant PMC the right of first and subsequent publication (in print and e-version). Although authors remain the copyright owner, they grant the journal the irrevocable, nonexclusive rights to publish, reproduce, publicly distribute and display, and transmit their article or portions thereof in any manner. By virtue of their appearance in this open access journal, articles are free to use, with proper attribution, in educational and other non-commercial settings.
